

Md Jobair

Future Web Developer & Math Student

About Me

I'm a BSc Mathematics student at Madhupur Degree College. I'm currently learning coding from Udemy and Coursera to become a software developer.

Projects

- **To-Do App** – A simple task manager using HTML, CSS, and JavaScript.
- **Portfolio Website** – This very site you're reading now.

Skills

- HTML, CSS, JavaScript (basic)
- Python, Git (learning)
